Knitting Instructions

Supplies: You will need a number Nine 16” circular knitting needle, a set of number Nine double point needles, a stitch marker, and a yarn sewing needle.

Gauge: 7 stitches=2 inches, 5 rows=1 inch

Directions are for an adult size toboggan.

Loosely cast on 62 stitches of bulky hand-spun, hand dyed yarn on the circular needle. Join the round being careful not to twist the cast on stitches. Place stitch marker at the beginning of the row.

Row 1: knit, row 2-purl. Repeat these two rows three more times for a total of eight rows.

Knit rows until the toboggan measures 9” from the bottom. This will give you ample toboggan to roll up the edge. If you don’t want a rolled up edge, stop at 7” from the bottom. You may try on the toboggan at this point to check the fit, being careful not to pull the stitches off of the circular knitting needle.

Decrease rows for the top of the hat-repeat directions between * around the row.

Row 1: Knit 2. Then *knit 2 together, knit 4* around row-52 stitches

Row 2 and every even row-knit.

Switch to double point needles.

Break yarn leaving a 10” tail. Thread the yarn tail into the yarn sewing needle and sew through the 6 remaining stitches. Draw up the tail and pull to inside of the toboggan. Work the end of the yarn into the inside of the toboggan and trim. Work in the yarn end at the beginning of the hat.
